## Right Track Academy Policy Agreement

A copy of the Parent Handbook that dictates the policies and procedures of Right Track Academy was made available to me on this date \_\_\_\_\_. I have read and understand the policies and procedures. I understand that these policies are non-negotiable and that any of my questions or concerns have been voiced to a member of the Right Track Academy management. I understand that if I fail to follow any of the policies outlined in the Parent Handbook, I may be asked to leave the Right Track Academy program.
